of the  
Argentine Republic*

A.L. 65 /2023

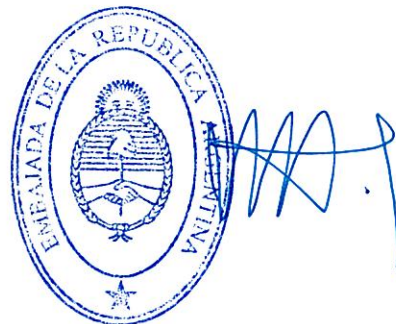

The Embassy of the Argentine Republic presents its compliments to the Ministry of Agriculture and Cooperatives and has the honour to refer to our previous Note A.L. 64/2023 introducing AAPRESID (Asociación Argentina de Productores en Siembra Directa - Argentine No-Till Farmers Association) and submitting the 2023 special edition of AAPRESID magazine issued after the AAPRESID Congress held in April 2023.

In this connection, the Embassy of the Argentine Republic has further the honour to inform that during March 3-10, 2024, within the framework of the next edition of the Expoagro Agriculture Fair (<https://www.expoagro.com.ar/evento/expoagro-2024/>), an Agronomic Technical Tour will be organized by AAPRESID aiming to showcase Argentina's agriculture from a sustainable perspective.

The Agronomic Technical Tour will allow participants to:

- Explore cutting-edge production models, recognized for soil care, sustainability and innovation.
  
- Take part in technical exchanges with local farmers and experts, while exploring the heart of Argentine agriculture through visits to agricultural production establishments.

Ministry of Agriculture and Cooperatives  
- Bureau of Foreign Agricultural Affairs (BOFAA)  
BANGKOK

/.../

- Connect with the main agricultural companies and institutions in Argentina.
- Have access to Expoagro 2024 for two days.

A presentation on the Agronomic Technical Tour detailing its full program, activities, inclusions and conditions can be found as Annex to the present Note.

Therefore, the Embassy of the Argentine Republic will appreciate it if the Ministry of Agriculture and Cooperatives could disseminate this information among potentially interested stakeholders and inform the former should Agency members or related stakeholders would like to join the Agronomic Technical Tour.

The Embassy of the Argentine Republic avails itself of this opportunity to renew to the Ministry of Agriculture and Cooperatives the assurances of its highest consideration.
